

Public Accountability Report Portal User Guide

The Public Accountability Report (PAR) Portal is a web portal offered by the Illinois Office of Comptroller (IOC) that allows agency managers throughout Illinois state government to report on their agencies' various initiatives, effectiveness, and program administration. This User Guide describes how to use the PAR Portal and provides some troubleshooting tips. Use the links below to jump to a specific section in this guide.

Am I eligible to use the Public Accountability Report Portal?

If you have been given authorization to act as your agency's coordinator, then you are eligible to register via the PAR registration screen and utilize the portal. The person registering as the agency coordinator must use the agency security PIN provided by the IOC PAR administrator. All other users who are set up by the agency's coordinator via the Manage Users link are also eligible.

[Back to top](#)

How do I register for a Public Accountability Report Portal account?

If users meet the requirements to register for a Public Accountability Report Portal account, they need to follow these steps:

1. Go to [the Illinois Office of Comptroller's website](#).
2. Select **Financial Reports & Data** from the navigation bar at the top left of the page.

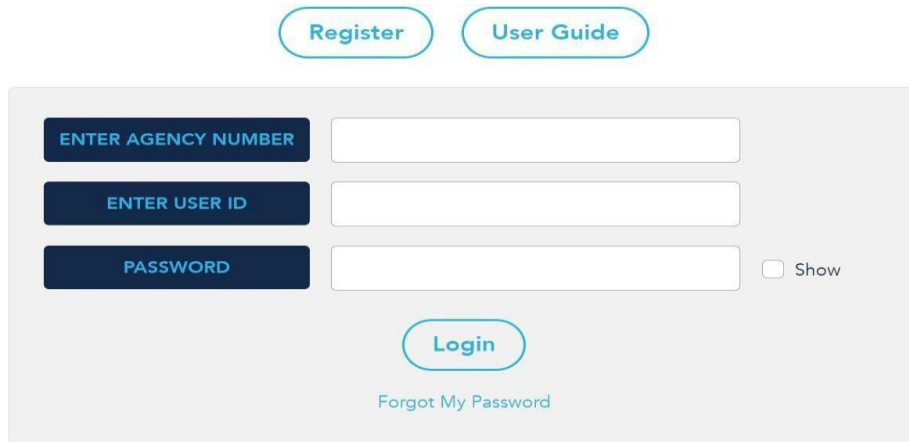

3. Click **Find a Report** and select **Submit a Report** in the drop-down menu.

4. Select the **Public Accountability Report** from the **Report Name** drop-down menu and click **Search**.

Click **Register**.

5. Fill out the registration form in its entirety. Make sure you take extra precaution when selecting your agency and entering your agency's security PIN and email. The screen matches what you selected for your agency and your agency security PIN to authorize you as your agency's coordinator. You will receive an email at the address you provided allowing you to create a personal password for communication throughout the PAR reporting process.

Registration Page Information:

Email: Provide an email address at which this individual may be contacted. This email address can also be used as the account holder's user ID for logging in to the system.

User ID (System Assigned): This is the user ID the system will try to assign to this individual. If the ID is not available, the system will add the next sequential number to the end. You will receive an email containing your official ID.

Phone: Provide a telephone number at which the individual may be contacted. All phone numbers must contain the area code.

Coordinator: The required value for this field is **Yes** if you are filling out the registration form. The user will have the ability to add new users, reset other users' passwords, mark other users as **Active** or **Inactive**, and submit the PAR.

Security PIN: Enter your agency's security PIN provided in the email the IOC sent to your agency contact person.

6. You must check the attestation check box.
7. Select the picture described in the captcha. This is to prevent malicious computer programs from registering for PAR Portal accounts.
8. Click **REGISTER ME!**
9. You will receive a **PAR New Account Registration** email that we have received your registration.
10. Once the system has approved your account, you should receive an email at the address provided during registration that allows you to verify your email and set up a password. Click on the **CREATE/CHANGE MY PASSWORD** hyperlink. This will be delivered the same day the registration took place. If you do not receive the email, verify it isn't in your junk or spam folder before contacting the IOC.
11. Create your password, making sure it follows the **Password Policy** listed at the bottom of the screen. Then click **CREATE PASSWORD**.
12. Once you see the **Password was Created!** message, you will be taken to the Public Accountability Report log-in screen.

[Back to top](#)

How do I log in to the Public Accountability Report Portal?

1. Go to [the Illinois Office of Comptroller's website](#).
2. Select **Financial Reports & Data** from the navigation bar at the top left of the page.

3. Click on **Find a Report** and select **Submit a Report** in the drop-down menu.

4. Select the **Public Accountability Report** from the **Report Name** drop-down menu and click **Search**.

5. Enter your agency number, the user ID or email address associated with your account, and the password you just created in the respective fields. Finally, click **Login**.

[Back to top](#)

Why do my log-in attempts result in a message indicating that I cannot be logged in to the Public Accountability Report Portal?

More than likely, the answer to this question has to do with the log-in credentials you provided. Here are four common errors that prompt this message and how to address them:

1. You may have made a simple typo. Try logging in one more time with the correct information.
2. You may be using an old password. PAR passwords expire every 30 days. If you have forgotten your password, you can click on the [Forgot My Password](#) link on the log-in page to reset it.
3. Is your computer's Caps Lock or Num Lock on? The user ID and password fields are case-sensitive. If you unknowingly had Caps Lock on, then you may have mistakenly tried to log in with capital letters. If you are using the numbers pad and do not have Num Lock on, you may be keying in characters that are not in your user ID or password.
4. Does your browser save log-in credentials? Do you have a predictive text tool activated in your browser? Many times these features save expired log-in information. Disable these options when you are trying to log in to the PAR Portal.

If you continue to experience trouble with logging in, contact the coordinator assigned to your agency.

[Back to top](#)

Do I need to update my password?

To maintain the data's integrity, Public Accountability Report Portal passwords expire every 30 days. The PAR Portal will prompt you when it's time for a change.

Passwords must follow the [Password Policy](#) found on the bottom of the Change Password screen.

[Back to top](#)

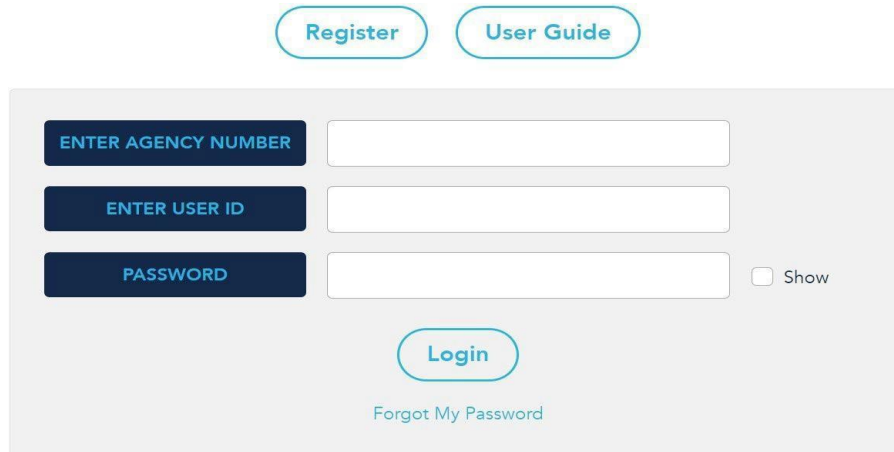

I forgot my user ID. How can I retrieve it?

A user ID is usually the email address associated with an account or FirstName.LastName. If you have additional questions, contact the coordinator assigned to your agency.

[Back to top](#)

I forgot my password. How can I reset it?

1. From the Public Accountability Report Portal site log-in page, click **Forgot My Password**.

The screenshot shows the login interface of the PAR Portal. At the top, there are two buttons: "Register" and "User Guide". Below these are three input fields with labels: "ENTER AGENCY NUMBER", "ENTER USER ID", and "PASSWORD". To the right of the password field is a "Show" checkbox. Below the input fields is a "Login" button and a link labeled "Forgot My Password".

2. Enter the email address associated with your PAR Portal account, select the image the captcha is asking for, and click **Get Password**. An email will be sent to the email address associated with your account, allowing you to change your password.
3. You should receive an email from our system that contains a **CREATE/CHANGE MY PASSWORD** link that will take you to the Change Password screen.
4. Enter a password that you have not used in the last 10 password changes, re-enter the password, and click **Create Password**.
5. If you do not receive a password link email, please use the default password below.

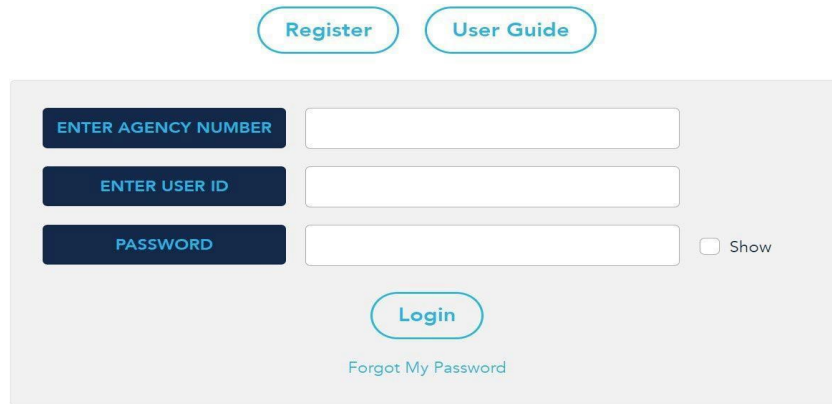

PAR Portal Default: PAR2017@

[Back to top](#)

How can I change my password?

The Public Accountability Report Portal will automatically take you to the Change Password screen when it is time for you to change your password. You may manually go to the Change Password screen and change it as often as you like.

1. Log in to the PAR Portal.

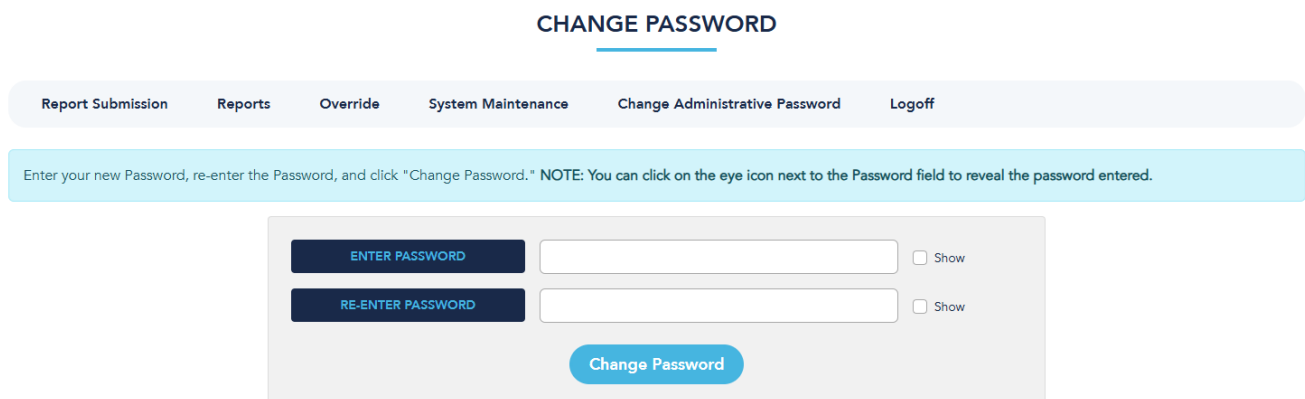

The login form features two buttons at the top: "Register" and "User Guide". Below these are three input fields, each with a dark blue label button: "ENTER AGENCY NUMBER", "ENTER USER ID", and "PASSWORD". To the right of the password field is a "Show" checkbox. A "Login" button is centered below the fields, and a "Forgot My Password" link is positioned below the "Login" button.

2. Click on the **Change Password** menu option.

The navigation bar is titled "PUBLIC ACCOUNTABILITY REPORT" and contains the following menu items: "Welcome", "Sections", "View Report", "Change Password" (highlighted with a dark background), "Help", "Manage Users", "Select Different Agency", and "Logoff".

3. Enter your new password, re-enter the password, and click **Change Password**.

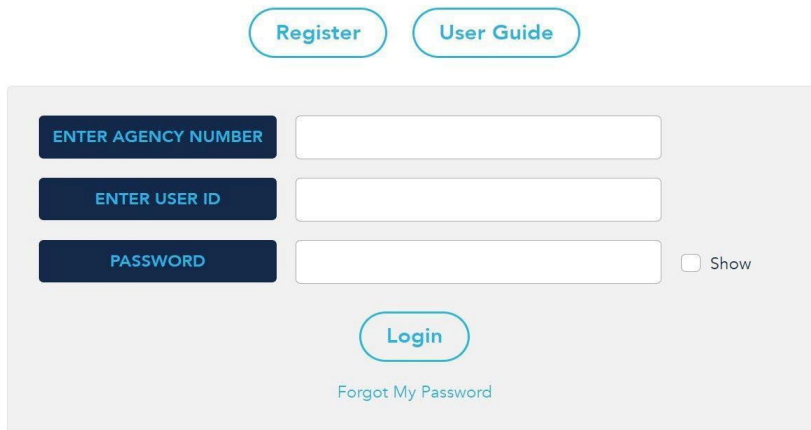

The "CHANGE PASSWORD" screen has a navigation bar with the following options: "Report Submission", "Reports", "Override", "System Maintenance", "Change Administrative Password" (highlighted), and "Logoff". Below the navigation bar is a light blue instruction box: "Enter your new Password, re-enter the Password, and click 'Change Password.'" NOTE: You can click on the eye icon next to the Password field to reveal the password entered. The form contains two input fields with dark blue label buttons: "ENTER PASSWORD" and "RE-ENTER PASSWORD". Each field has a "Show" checkbox to its right. A "Change Password" button is centered below the fields.

[Back to top](#)

How do I manage my assigned users (coordinators only)?

Only the agency coordinator and IOC administrators have this option.

1. Log in to the Public Accountability Report Portal.

The login form features two buttons at the top: "Register" and "User Guide". Below these are three input fields, each with a dark blue label button: "ENTER AGENCY NUMBER", "ENTER USER ID", and "PASSWORD". To the right of the password field is a "Show" checkbox. A "Login" button is centered below the fields, and a "Forgot My Password" link is positioned directly underneath it.

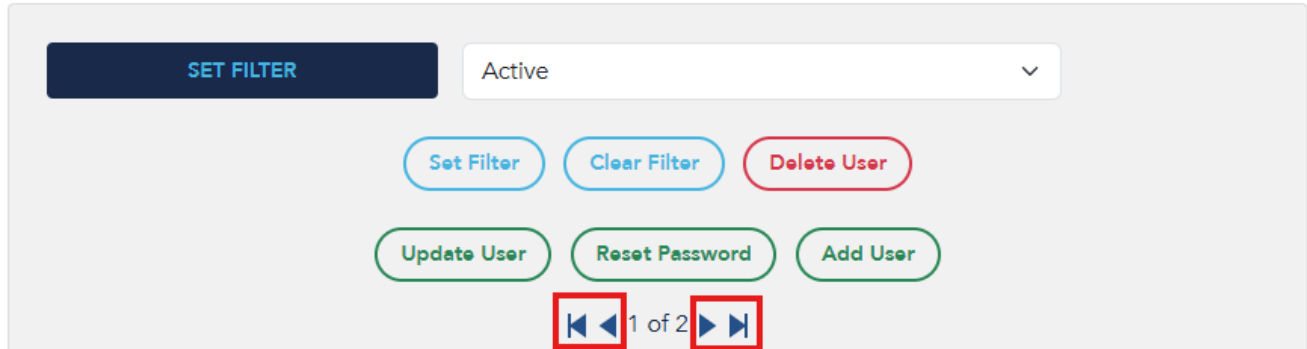

2. Click **Manage Users**.

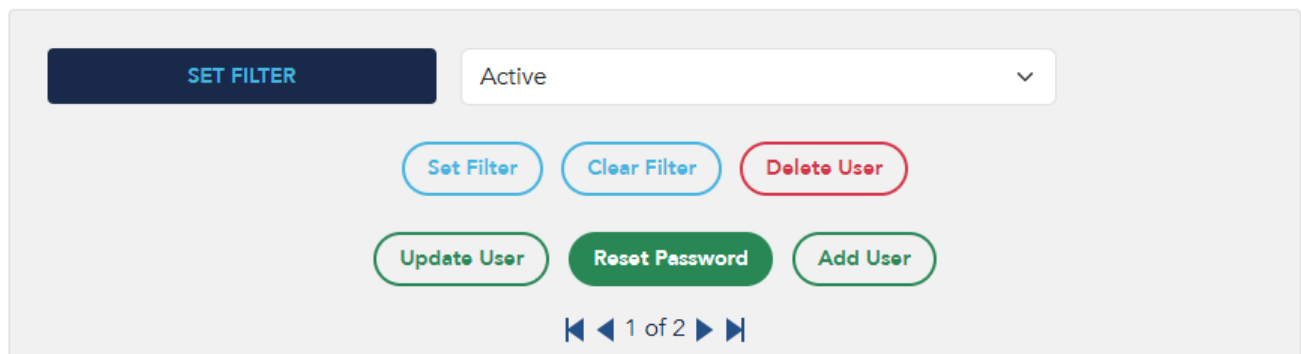

[Back to top](#)

How do I reset a user's password?

1. Using the arrows, position the record to the desired user.

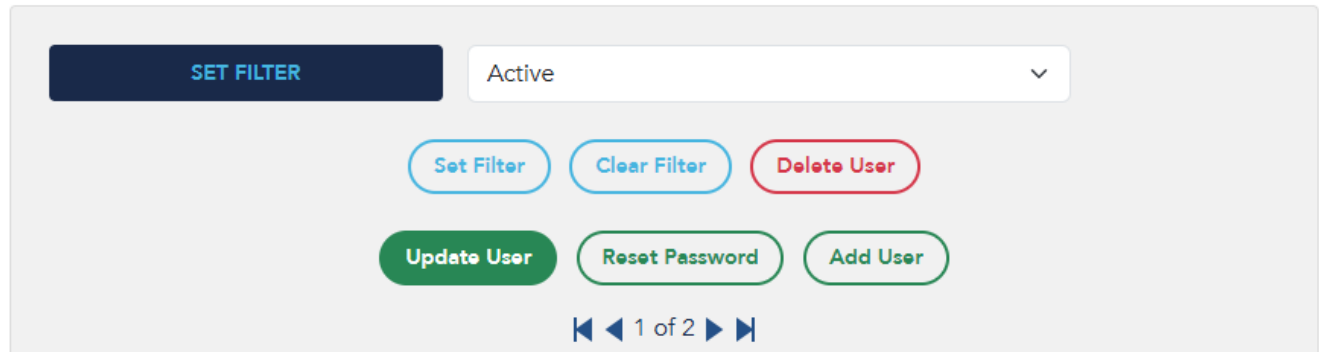

2. Click **Reset Password**. The password will be reset to a default password that the agency coordinator or PAR administrator can give to the user to log in to the application. The user will be required to reset his or her password on the first log-in after the reset has been completed.

[Back to top](#)

How do I update a user's information?

You can modify the information associated with the user's account except for the agency number, agency name, and user ID. Click **UPDATE USER** to save the changes.

[Back to top](#)

Manage Users Information Page:

Status: The coordinator can mark this user as **Active** or **Inactive**.

Email: Provide an email address at which this individual may be contacted. This email address can also be used as the account holder's user ID for logging in to the system.

User ID: This is the user ID the system will try to assign to this individual. If the ID is not available, the system will add the next sequential number to the end. You will receive an email containing your official ID.

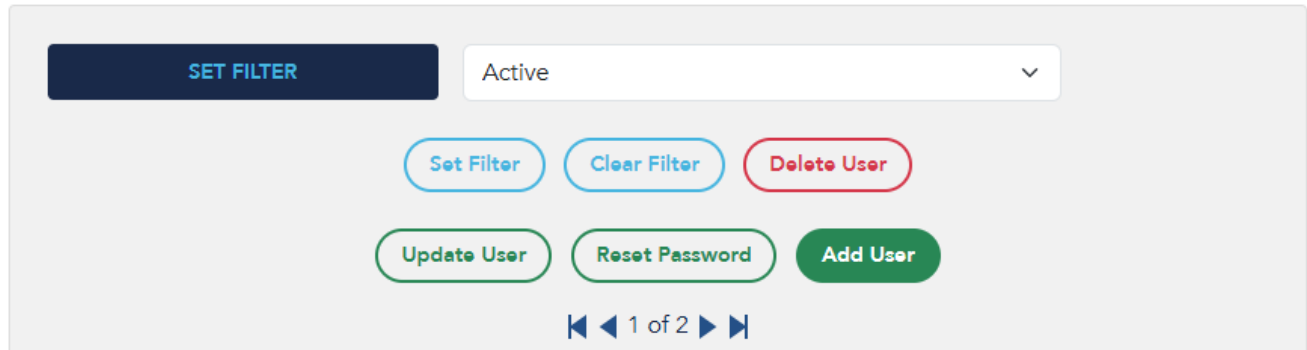

Phone: Provide a telephone number at which the individual may be contacted. All phone numbers must contain the area code.

Coordinator: The required value for this field is **Yes** if you are filling out the registration form. The user will have the ability to add new users, reset other users' passwords, mark other users as **Active** or **Inactive**, and submit the PAR.

[Back to top](#)

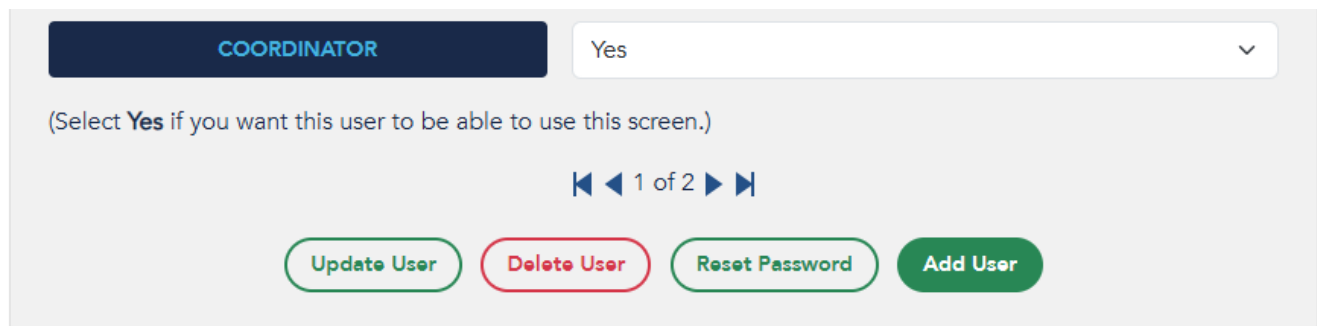

How do I add a new user?

1. To add a new user or coordinator, click **ADD USER**.

A screenshot of a user management interface. At the top left is a dark blue button labeled 'SET FILTER'. To its right is a dropdown menu currently showing 'Active'. Below these are three buttons: 'Set Filter' (blue), 'Clear Filter' (blue), and 'Delete User' (red). Below those are three more buttons: 'Update User' (green), 'Reset Password' (green), and 'Add User' (green). At the bottom center is a pagination control showing '1 of 2' with navigation arrows.

2. Add all the information for the user.
3. Please select the picture described in the captcha. This is to prevent malicious computer programs from registering for Public Accountability Report Portal accounts.
4. Click **ADD USER** to finish the process.

A screenshot of a user management interface. At the top left is a dark blue button labeled 'COORDINATOR'. To its right is a dropdown menu currently showing 'Yes'. Below these is a text prompt: '(Select Yes if you want this user to be able to use this screen.)'. Below the prompt is a pagination control showing '1 of 2' with navigation arrows. At the bottom are four buttons: 'Update User' (green), 'Delete User' (red), 'Reset Password' (green), and 'Add User' (green).

5. The user added will receive the same two emails the coordinator received when he or she registered for the PAR Portal.

[Back to top](#)

New User Information:

Email: Provide an email address at which this individual may be contacted. This email address can also be used as the account holder’s user ID for logging in to the system.

User ID: This is the user ID the system will try to assign to this individual. If the ID is not available, the system will add the next sequential number to the end. You will receive an email containing your official ID.

Phone: Provide a telephone number at which the individual may be contacted. All phone numbers must contain the area code.

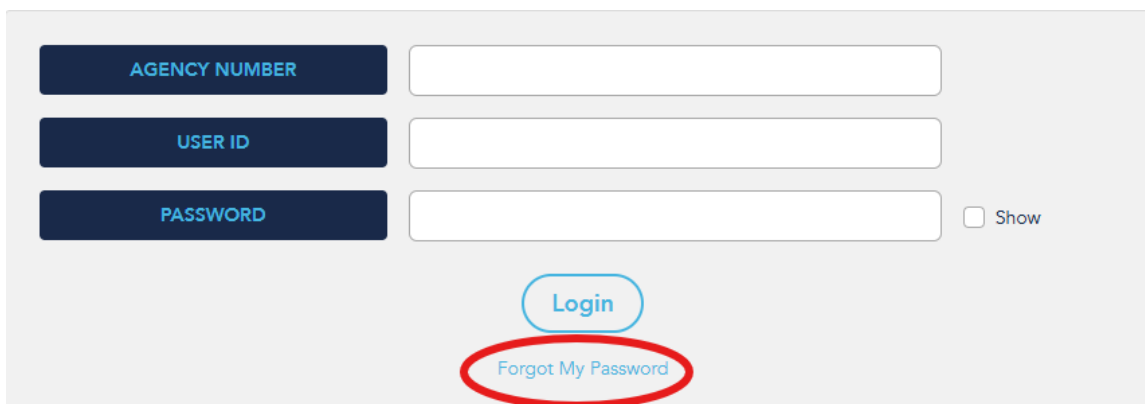

Coordinator: The required value for this field is **Yes** if you are filling out the registration form. The user will have the ability to add new users, reset other users’ passwords, mark other users as **Active** or **Inactive**, and submit the PAR.

[Back to top](#)

Features to Note Before Entering Your Report

- All agency coordinators can assign other users for their agencies as another coordinator or as a regular user. All passwords will automatically expire after 30 days. You must follow the **Password Policy** displayed at the bottom of the **Change Password** screen. There is a **Forgot My Password** feature you can use if you have forgotten your password.

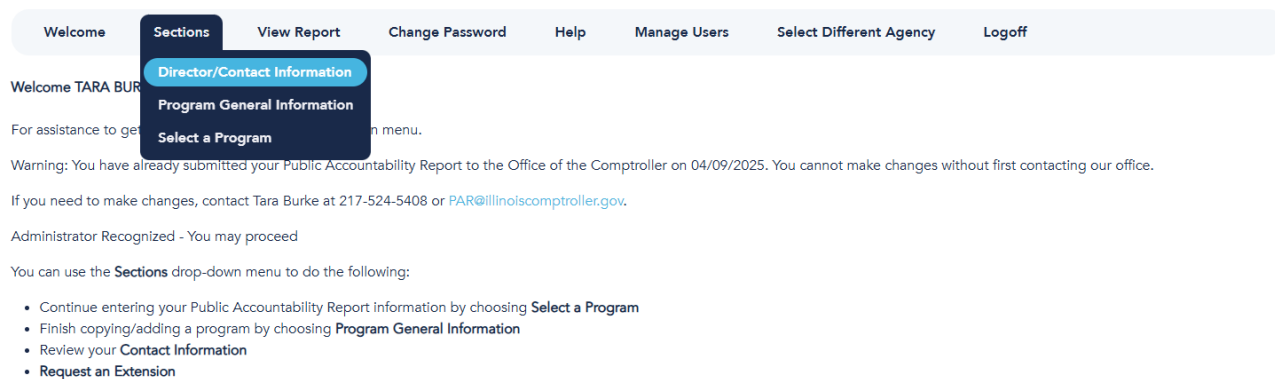

The screenshot shows a login interface with three input fields: 'AGENCY NUMBER', 'USER ID', and 'PASSWORD'. Below the fields is a 'Login' button and a 'Forgot My Password' link, which is circled in red. A 'Show' checkbox is visible next to the password field.

Sometimes emails end up in your junk or spam mail folder, so, if you are expecting an email from the PAR Portal and haven't received it, check your spam or junk folder. To help prevent this from happening, please add **illinoiscomptroller.gov** to your address book.

- If you are not a new agency coordinator, you will not receive a security PIN to register. You have already registered and can use the **Forgot My Password** feature to reset your password if it has expired.
- The **Director/Contact Information** section must be completed before the system will allow you to proceed.

PUBLIC ACCOUNTABILITY REPORT

The screenshot shows the 'PUBLIC ACCOUNTABILITY REPORT' portal interface. A navigation bar at the top includes links for 'Welcome', 'Sections', 'View Report', 'Change Password', 'Help', 'Manage Users', 'Select Different Agency', and 'Logoff'. A dropdown menu for 'Sections' is open, showing options: 'Director/Contact Information', 'Program General Information', and 'Select a Program'. Below the navigation bar, the page content includes a welcome message for 'TARA BURKE', a warning about a previously submitted report, and instructions on how to use the 'Sections' drop-down menu.

Warning: You have already submitted your Public Accountability Report to the Office of the Comptroller on 04/09/2025. You cannot make changes without first contacting our office.

If you need to make changes, contact Tara Burke at 217-524-5408 or PAR@illinoiscomptroller.gov.

Administrator Recognized - You may proceed

You can use the **Sections** drop-down menu to do the following:

- Continue entering your Public Accountability Report information by choosing **Select a Program**
- Finish copying/adding a program by choosing **Program General Information**
- Review your **Contact Information**
- Request an Extension**

- The totals for **Input Indicator** *Total expenditures - state appropriated funds (in thousands)* for fiscal years 2024 and 2025 have to match SAMS. To view your agency's fiscal year 2024 and 2025 expenditures, click [here](#).
- Agency narratives are required to submit the report. See the **Agency Narrative** section in this User Guide for guidelines.

[Back to top](#)

How to Enter and Format Numbers

As you enter numbers throughout the system, you will notice a drop-down menu labeled **Number Type**. This menu offers you a variety of options on how a number will be displayed in the final report. Before entering your first set of numbers, please review this information.

Ind. No	Indicator	FY 2024 Target/Projected	Number Type	FY 2024 Actual	Number Type	FY 2025 Target/Projected	Number Type
1	Number of payments processed	14500000	Number	14753652	Number	14500000	Number

- \$ and C:** When selected, this option displays numbers in a typical dollars and cents format, which includes two decimal places (e.g., \$133.45). Entries containing only cents will be displayed with a zero in the dollar place followed by two decimal places (e.g., \$0.55). The term “(in dollars)” will automatically be added to the end of the indicator. For example, if the indicator you create states “Average cost of inspections” and you select **\$ and C** as the number type option, the indicator will automatically be modified to state: “Average cost of inspections (in dollars)”.

2	Personal service cost per EARS inquiry	7.76	\$ and c	10.42	\$ and c	10.42	\$ and c
Update							
Personal service cost per EARS inquiry (in dollars)				\$ 10.42	\$ 10.42	\$ 7.76	\$ 7.80

- \$ Thous.:** When selected, this option will display numbers with one decimal point (e.g., \$859.2; \$1,234.5). The term “(in thousands)” will automatically be added to the end of the indicator.

1	Total expenditures - all sources	17640.0	\$ in Thousands	22599.9	\$ in Thousands	18599.9	\$ in Thous.
Update							
Total expenditures - all sources (in thousands)				\$ 18,599.9	\$ 22,599.9	\$ 17,640.0	\$ 16,799.8

- \$ Millions:** When selected, this option will display numbers with one decimal point (e.g., \$900.3; \$1,224.5). The term “(in millions)” will automatically be added to the end of the indicator.

10	Dollar amount of intercepted payments - local	0	N/A	19.0	\$ Millions	0	N/A
Update							
Dollar amount of intercepted payments - local (in millions)				N/A	\$ 19.0	N/A	\$ 19.5

- **\$ Billions:** When selected, this option will display numbers with one decimal point (e.g., \$3.4). The term “(in billions)” will automatically be added to the end of the indicator.

16	New indicator	5.0	\$ in Billions	6.0	\$ Billions	5.4	\$ Billions
----	---------------	-----	----------------	-----	-------------	-----	-------------

New indicator (in billions)	\$ 6.9	\$ 7.8	\$ 5.0	\$ 6.0	\$ 5.4
-----------------------------	--------	--------	--------	--------	--------

- **Number:** When selected, there are two different formatting results for this option:
 - a) Number values less than 1,000 are formatted with one decimal point. For example, if “999.9” or “133” are entered, the resulting format will be “999.9” and “133.0,” respectively.
 - b) Number values equal to or greater than 1,000 are formatted with no decimal places. For example, if “9999” is entered, the number will be formatted as “9,999.”

If you enter a number greater than 0, be sure to indicate the number type that you are using.

1	Number of payments processed	14500000	Number	14753652	Number	14500000	Number
---	------------------------------	----------	--------	----------	--------	----------	--------

Number of payments processed	14,277,775	19,735,838	14,500,000	14,753,652	14,500,000
------------------------------	------------	------------	------------	------------	------------

- **Percent:** When a number is entered and the **Percent** option is selected, the number will be formatted as a percent. For example, if “13.3” or “13.34” are entered, the resulting format will be “13.3%” or “13.34%,” respectively.

1	Percentage of certified vendors on vendor file	75.00	Percent	62.93	Percent	75.00	Percent
---	------------------------------------------------	-------	---------	-------	---------	-------	---------

Percentage of certified vendors on vendor file	84.41 %	73.60 %	75.00 %	62.93 %	75.00 %
------------------------------------------------	---------	---------	---------	---------	---------

- **Yes and No:** This option is for when number formatting does not apply but the indicator requires a yes or no answer. Example: An agency is expected to receive an award/certificate every year. Did it receive the certificate for the fiscal year?

13	Illinois' Popular Annual Financial Report received GFOA Certificate of	0	N/A	0	No	0	Yes
----	------------------------------------------------------------------------	---	-----	---	----	---	-----

Illinois' Popular Annual Financial Report received GFOA Certificate of Achievement for Outstanding Achievement in PAFR Reporting	N/A	N/A	N/A	No	Yes
----------------------------------------------------------------------------------------------------------------------------------	-----	-----	-----	----	-----

- **N/A:** If data is unavailable, enter a zero in the data field and choose “N/A” as the number type. “N/A” will show on the report.

10	Dollar amount of Intercepted payments - local	0	N/A	19.0	\$ Millions	0	N/A	
Dollar amount of Intercepted payments - local (in millions)			N/A	\$ 19.0		N/A	\$ 19.5	\$ 18.9

Note: For consistency among all agencies, please enter all expenditure data using the **\$ and ¢** number type in the drop-down menu. Also, all expenditures must be rounded to thousands of dollars.

You will notice a **Number Type** hyperlink at the top of each chart where data can be entered. Clicking on the hyperlink will open a section that provides information on how to enter and format numbers. Refer to this information if you have any questions on how to enter numbers.

[Back to top](#)

Other Items

- *Acronyms, Abbreviations, and Technical Terms.* To make your report easier to read, keep acronyms, abbreviations, and technical terms to a minimum. When they are first used, the full term should be spelled out with the acronym or abbreviation following in parentheses. For example, **SEA** when first used should be spelled out as **Service, Efforts, and Accomplishments (SEA)**. When composing your report, remember that the report is intended for a general audience.
- *Proofreading.* Carefully proofread your report before submitting it. This will save time when the report is finalized for the web application. Check spelling, punctuation, consistency in the use of terms, and other items relating to form and style.

[Back to top](#)

Director/Contact Information

The **Director/Contact Information** section must be completed before the system will allow you to proceed. You will only need to complete this section once.

PUBLIC ACCOUNTABILITY REPORT

Welcome TARA BURKE

For assistance to get started, click on the **Director/Contact Information** menu.

Warning: You have already submitted your Public Accountability Report to the Office of the Comptroller on 04/09/2025. You cannot make changes without first contacting our office.

If you need to make changes, contact Tara Burke at 217-524-5408 or PAR@illinoiscomptroller.gov.

Administrator Recognized - You may proceed

You can use the **Sections** drop-down menu to do the following:

- Continue entering your Public Accountability Report information by choosing **Select a Program**
- Finish copying/adding a program by choosing **Program General Information**
- Review your **Contact Information**
- **Request an Extension**

After completing the form, click **ADD RECORD** or **UPDATE RECORD**.

Update Record

[Proceed to Program General Information](#)

Choose from the following list to make revisions: | [Menu](#) | [Director/Contact Information](#) | [Program General Information](#) | [Select a Program](#) | [Programs and Resources](#) | [Agency Narrative](#)

You will then be taken to a section that says **Contact Information Added**. Click **PROCEED TO PROGRAM GENERAL INFORMATION**.

Update Record

[Proceed to Program General Information](#)

Choose from the following list to make revisions: | [Menu](#) | [Director/Contact Information](#) | [Program General Information](#) | [Select a Program](#) | [Programs and Resources](#) | [Agency Narrative](#)

[Back to top](#)

Program General Information

This section lists the **Reporting** programs entered last year and a section to enter **Non-Reporting** programs. If you will be using any or all of the **Reporting** programs listed last year for the 2025 report, click **YES** below **Copy?**, and the program will automatically be added to the 2025 report and also to the **Programs and Resources** table. You will have to click **YES** for each program you wish to copy to the 2025 report.

2023 Programs

- [2024 Program](#)
- [Copy 2023 Program](#)
- [Add 2024 Program](#)
- [Other Options](#)

Below is the listing of programs entered for 2023. Click **Yes** next to each program to be included in the 2024 report.

Program - Reporting	Copy?
Local Government	<input type="radio"/> Yes
Pre-need Licensing and Certification Enforcement	<input type="radio"/> Yes
Statewide Financial Management and Reporting	<input type="radio"/> Yes
Program - Non-Reporting	Copy?
Administrative Fund	<input type="radio"/> Yes
Capital Development Fund	<input type="radio"/> Yes
Court Reporting Services	<input type="radio"/> Yes
Pension Obligation Acceleration	<input type="radio"/> Yes
Pension Stabilization	<input type="radio"/> Yes
State Lottery Expenses	<input type="radio"/> Yes
State Officers' Salaries	<input type="radio"/> Yes

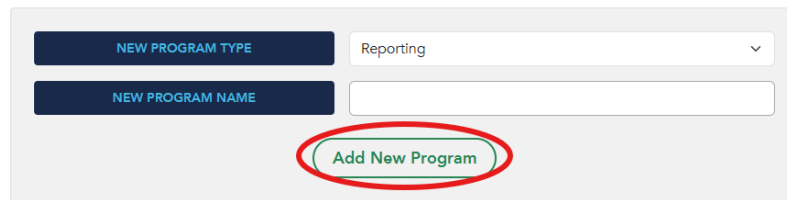

Note: Make sure you have copied all applicable programs listed from your 2024 report that are applicable to the 2025 report before you add any new programs. Once all programs have been copied up for 2025, all indicator data will also be copied up for each program.

The **Add a New Program** section is for use only if you plan on adding a new program to the 2025 report. To add a new program to your 2025 report, select the **New Program Type** from the drop-down menu, enter the **New Program Name**, and click **ADD NEW PROGRAM**. If the program is **Non-Reporting**, you still need to enter the expenditure and headcount data. Repeat this procedure for each new program you want to add.

Add a New Program

- 2024 Program
- Copy 2023 Program
- Add 2024 Program
- Other Options

To add a new program, select the new program name from the **New Program Type** drop-down menu, enter the **New Program Name** and click **Add New Program**. If the program is a **Non-Reporting** program you will need to enter the expenditure and headcount data. **NOTE: Make sure you have copied all of the programs listed above from your 2023 report that are applicable to the 2024 report before you add any new programs!**

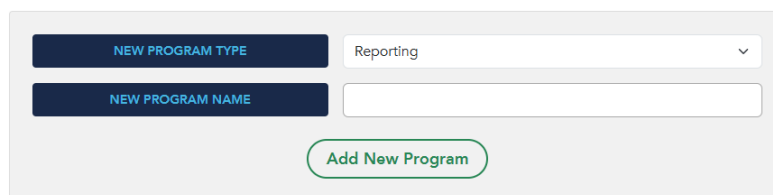

Once all **Reporting** and **Non-Reporting** programs are in the table, you may update a program name within the program text box and click **UPDATE**. To remove programs from the list, click **DELETE**. Once deleted, programs may be returned to the list by clicking **UN-DELETE** on the deleted program table.

After completing the section, click **PROCEED TO SELECT A PROGRAM**.

Add a New Program

- 2025 Program
- Copy 2024 Program
- Add 2025 Program
- Other Options

To add a new program, select the new program name from the **New Program Type** drop-down menu, enter the **New Program Name** and click **Add New Program**. If the program is a **Non-Reporting** program you will need to enter the expenditure and headcount data. **NOTE: Make sure you have copied all of the programs listed above from your 2024 report that are applicable to the 2025 report before you add any new programs!**

[Proceed to Select A Program](#)

Choose from the following list to make revisions: | [Menu](#) | [Director/Contact Information](#) | [Program General Information](#) | [Select a Program](#) | [Programs and Resources](#) | [Agency Narrative](#)

[Back to top](#)

Program Funds/Statutory Authority

This section lists the program’s fund(s) and the statutory authority. Funds can be added to this area as you select them for 2025. You will need to verify that the fund(s) that appear are correct. To remove a fund from the list, click **DELETE**. Once deleted, funds may be returned to the list by clicking **UN-DELETE** on the deleted funds table.

Note: If a fund name no longer exists in 2025 but existed in 2024, the fund name will automatically be removed.

The **Add 2025 Funds** section is for adding funds that support the program. Use the drop-down menu to find the source of funds, highlight it, and click **ADD FUND**. You should do this for each major fund that supports the program.

2024 Statewide Financial Management and Reporting Funds

- 2024 Funds
- Add 2024 Funds
- 2024 Statutory Authority
- Other Options

Below is the listing of a program's Funds. To remove a Fund from the list, click **Delete**. Once deleted, Funds may be returned to the list by clicking **Un-Delete** on the **Deleted Table** list.

Fund Number	Fund	Delete?
0001	General Revenue Fund	<input type="button" value="Delete"/>
0543	Comptroller's Administrative Fund	<input type="button" value="Delete"/>

Add 2024 Statewide Financial Management and Reporting Funds

- 2024 Funds
- Add 2024 Funds
- 2024 Statutory Authority
- Other Options

To add a new fund to the program, select the new fund from the list below and click **Add Fund**.

SELECT THE FUND

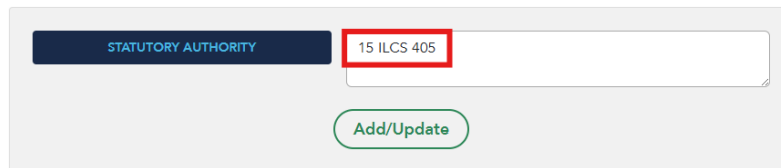

- 0001 General Revenue Fund
- 0005 General Revenue - Common School Special Account Fl
- 0007 Education Assistance Fund
- 0011 Road Fund
- 0012 Motor Fuel Tax Fund

The **Add/Update 2025 Statutory Authority** section contains a **Statutory Authority** text box to enter the program’s primary statutory authority reference. You should enter the primary statutory reference for the program by using the ILCS reference (e.g., 220 ILCS 5/8-101). Although there may be multiple statutory citations for the program, enter only the primary citation. This would be the statute chapter and section(s) that establish and authorize the program. After adding the statutory citation, click **ADD/UPDATE**.

Add/Update 2024 Statewide Financial Management and Reporting Statutory Authority

- 2024 Funds
- Add 2024 Funds
- 2024 Statutory Authority
- Other Options

To add/update the program Statutory Authority, enter/edit the information in the Statutory Authority text box and click **Add/Update**.

Input Indicators

The **Update Input Indicators** section lists the input indicators. **The first three input indicators are standardized indicators, and the order in which they appear cannot be changed.**

Use this section to enter the fiscal year 2025 actual and fiscal year 2026 target/projected data for each indicator. Click **UPDATE**.

- For the first two indicators, enter the dollars in thousands.
- For the third indicator, enter the number of average monthly full-time equivalents.

Update Input Indicators

- 2024 Indicators
- Update 2024 Indicators
- Add 2024 Indicators
- Other Options
- Update 2023 Perf. Measurements
- Update 2022 Perf. Measurements
- 2024 Ind. Footnote
- Add 2024 Ind. Footnote

To update an input indicator, edit the change in the text and/or data box and click **Update**. If the indicators are not listed in the order you wish them to appear, you can re-number the indicators using a sequential number in the **Indicator No** field. The first three indicators can't be re-ordered.

Ind. No	Indicator	FY 2024 Target/Projected	Number Type	FY 2024 Actual	Number Type	FY 2025 Target/Projected	Number Type
Update							
1	Total expenditures - all sources	17640.0	\$ in Thousands	<input type="text" value="22599.9"/>	\$ in Thousands	<input type="text" value="18599.9"/>	\$ in Thous. ▾
2	Total expenditures - state appropriated funds	17640.0	\$ in Thousands	<input type="text" value="22599.9"/>	\$ in Thousands	<input type="text" value="18599.9"/>	\$ in Thous. ▾
3	Average monthly full-time equivalents	195.0	Number	<input type="text" value="180.0"/>	Number ▾	<input type="text" value="195.0"/>	Number ▾
Update							

The **Add a New Input Indicator** section is for adding new indicators. To add a new indicator to the program, enter the indicator name and data and click **ADD NEW INPUT INDICATOR**. The next available indicator number will automatically be assigned, so make sure you enter the indicators in the order in which you want them to appear (i.e., Input Indicator 1 first, Input Indicator 2 second, etc.). If the indicators are not listed in the order you wish them to appear, you can re-number them using a sequential number in the **Ind. No** field. To remove an indicator from the list, click **DELETE**. Once deleted, indicators may be returned to the list by clicking **UN-DELETE** on the deleted input indicators table.

The **Update 2024 Performance Measurements** and **Update 2023 Performance Measurements** sections are for entering the appropriate data for each of the input indicators for both fiscal years. If you have new indicators, you will need to enter **0** for the data fields and **N/A** for the number types for these years. Click **UPDATE** when you have completed entry.

Note: You will not be able to make changes to copied up **2024/2023 Performance Measurements** without first contacting our office for approval. If you need to make changes, email PAR@illinoiscomptroller.gov.

The **Indicator Footnotes** section lists any footnote IDs that might accompany an input indicator. To remove a footnote ID from the list, click **DELETE**. To add a footnote ID, go to the **Add Indicator Footnotes** section.

The **Add Indicator Footnotes** section allows you to add a footnote ID. To add a footnote ID to an input indicator, select the footnote from the drop-down menu and click **ADD NEW FOOTNOTE ID**. The results will be reflected in the **Indicator Footnotes** section.

After completing the input indicators, click **PROCEED TO OUTPUT INDICATORS**.

At the bottom of the section, you will be asked to either **SELECT A PROGRAM** or **PROCEED TO NARRATIVE**.

Note: You will not be able to submit your report unless the grand total of the appropriated expenditures for your agency that appears in the **Programs and Resources** table equals the total appropriated expenditures for your agency as recorded by the Statewide Accounting Management System (SAMS) for both fiscal year 2024 and fiscal year 2025. This table must be correct before you may submit your report to the IOC.

Agency Narrative

The **Narrative** text box will allow you to copy and paste from an existing document or type a new document.

OFFICE OF THE STATE COMPTROLLER - AGENCY NARRATIVE

Welcome Sections View Report Change Password Help Manage Users Select Different Agency Logoff

Warning: You have already submitted your Public Accountability Report to the Office of the Comptroller on 04/09/2025. You cannot make changes without first contacting our office. If you need to make changes, please call Tara Burke at 217-524-5408 or PAR@illinoiscomptroller.gov.

Note: The narrative should be a summary of the major results of the agency for the reporting period, the challenges facing the agency, and strategies for improving future results. Its purpose is to increase the understandability and usefulness of the report, communicate insights about the reported performance, and provide accessible information about the organization and its results.

Narrative

The Comptroller is the State's Chief Fiscal Control Officer, responsible for the legal, efficient, and effective operation of state government's fiscal affairs. The Illinois Office of Comptroller (IOC) is charged with the responsibility of maintaining the state's central fiscal accounts, ordering payments into the treasury, and issuing warrants against any funds held by the Treasurer. The state constitution directs the Comptroller to apply sound fiscal controls to the state's central fiscal accounts.

To carry out its constitutional and statutory requirements, the IOC performs the key financial functions of statewide financial management and reporting. Additionally, the IOC regulates pre-need licenses and purchases through the Pre-need Licensing and Certification Enforcement (PLACE) program, and the Local Government Division collects and analyzes annual financial reports from thousands of units of local government.

In fiscal year 2024, the office's Expenditure Analysis and Review Section (EARS) received more than 13,000 formal inquiries for information.

As part of the statutory responsibility of the IOC, the Local Government Division annually produces the Fiscal Responsibility Report Card, which summarizes financial data received from approximately 5,200 units of local government. The edit and review process ensures that the financial data submitted on the Annual Financial Reports (AFRs) is of acceptable quality to produce the Fiscal Responsibility Report Card.

In fiscal year 2024, the Local Government Division achieved a compliance rate of 92%, and the PLACE Division achieved 97% compliance among pre-need licensees. To help ensure the protection of consumer funds, audits of these financial reports are conducted on a recurring basis, with 559 audits performed in fiscal year 2024.

The Comptroller Connect Internet Filing program is utilized by local governments to digitally report their data. The Local Government Division provides governments with hands-on AFR assistance, regional training

To help ensure the protection of consumer funds, audits of these financial reports are conducted on a recurring basis, with 559 audits performed in fiscal year 2024.

The Comptroller Connect Internet Filing program is utilized by local governments to digitally report their data. The Local Government Division provides governments with hands-on AFR assistance, regional training workshops, a toll-free local government assistance hotline, and communication with the division via email. In fiscal year 2024, the division's hotline received approximately 2,600 calls and 2,100 emails.

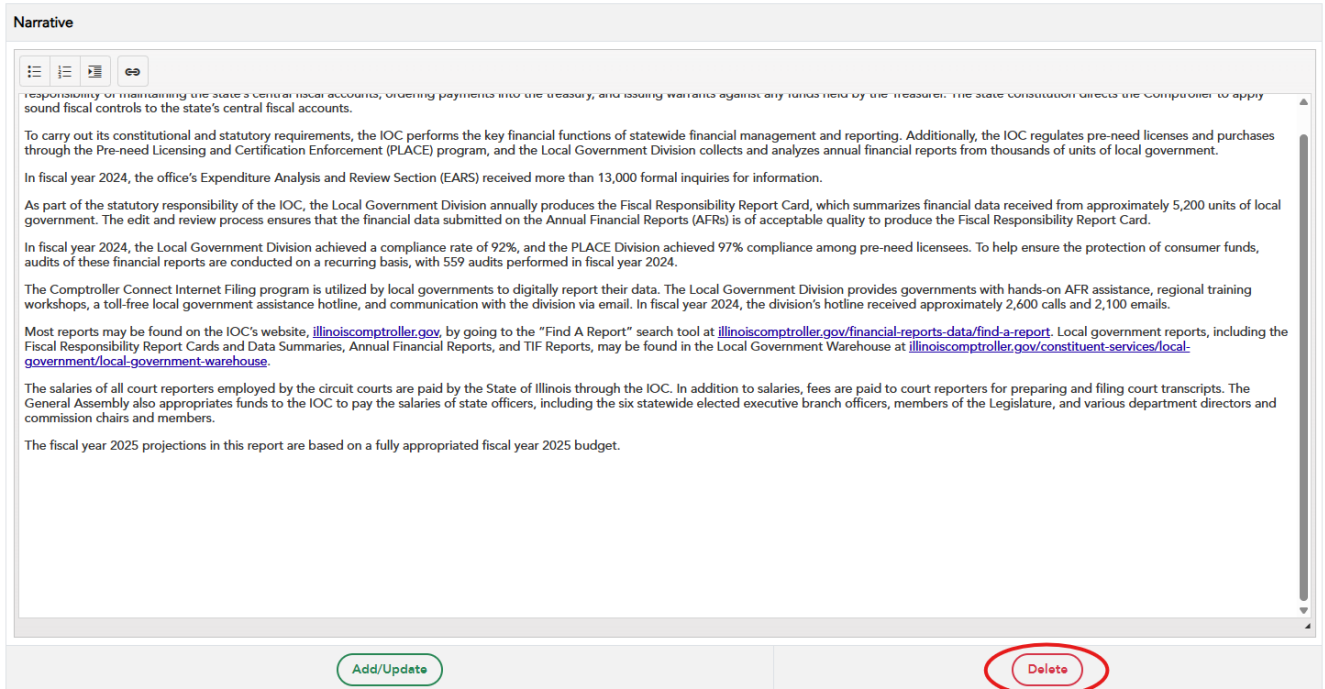

Most reports may be found on the IOC's website, illinoiscomptroller.gov, by going to the "Find A Report" search tool at illinoiscomptroller.gov/financial-reports-data/find-a-report. Local government reports, including the Fiscal Responsibility Report Cards and Data Summaries, Annual Financial Reports, and TIF Reports, may be found in the Local Government Warehouse at illinoiscomptroller.gov/constituent-services/local-government/local-government-warehouse.

The salaries of all court reporters employed by the circuit courts are paid by the State of Illinois through the IOC. In addition to salaries, fees are paid to court reporters for preparing and filing court transcripts. The General Assembly also appropriates funds to the IOC to pay the salaries of state officers, including the six statewide elected executive branch officers, members of the Legislature, and various department directors and commission chairs and members.

The fiscal year 2025 projections in this report are based on a fully appropriated fiscal year 2025 budget.

The narrative should be a summary of the major results of the agency for the reporting period, the challenges facing the agency, and strategies for improving future results. Its purpose is to increase the understandability and usefulness of the report, communicate insights about the reported performance, and provide accessible information about the organization and its results.

Consider the following information in constructing your narrative:

- an overview of the scope of the performance report (which programs and services are included and which are excluded);
- the agency's mission;
- the major goals and objectives of the agency and the programs being reported;
- highlighted results, whether positive or negative, in terms of outcomes and efficiencies;
- discussions of programs with management's comments on the results compared to expectations; and
- discussions of any major challenges facing the programs and services of the agency and plans that have been made to address these challenges.

At the bottom of the section, you will either **SELECT A PROGRAM** to continue working on another program or go to the **Sections** drop-down menu to submit your report.

Note: All agencies, including universities, are required to submit an agency narrative.

[Back to top](#)

Request an Extension

The **Request an Extension** option in the **Sections** drop-down menu is to be used if you will not be able to complete your agency's Public Accountability Report by the deadline. Provide a reason for the extension request in the text box and click **REQUEST EXTENSION**. After PAR staff review, a response will be emailed to the authorized user on file from the **Director/Contact Information** page.

Submit Your Report to the Comptroller

To submit your agency's Public Accountability Report to the Comptroller, go to the **Sections** drop-down menu and click **Submit Agency Report**.

On the **Submit Public Accountability Report** page, click **SUBMIT AGENCY REPORT** to inform the PAR staff that your report is ready.

Note: Changes to your PAR submission after you click **SUBMIT AGENCY REPORT** will only be allowed by contacting PAR staff.

After clicking the button, you will see an **Acknowledgment of Public Accountability Report Submission**. You will receive an email when the report is approved and ready for completion.

Once you have received an email that your submission has been approved for completion, log in to the PAR Portal and select **Complete Agency Report** from the **Sections** drop-down menu. Then click **COMPLETE AGENCY REPORT**.

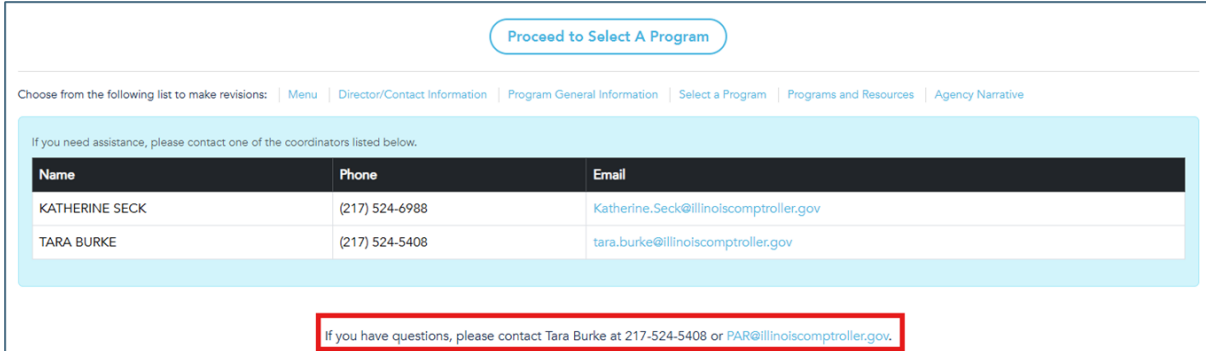

You will receive an email acknowledging that your report has been received and filed. Maintain a copy of this email for your records.

Help

Sometimes even after reading a User Guide, you may still need help resolving an issue. We recommend reaching out for help.

1. Contact your coordinator. If you do not know who your coordinator is for the Public Accountability Report, the information is located at the bottom of each page.

The screenshot shows a web interface with a navigation bar at the top containing a button labeled "Proceed to Select A Program". Below the navigation bar is a breadcrumb trail: "Choose from the following list to make revisions: | Menu | Director/Contact Information | Program General Information | Select a Program | Programs and Resources | Agency Narrative". A light blue box contains the text "If you need assistance, please contact one of the coordinators listed below." followed by a table of coordinator information:

Name	Phone	Email
KATHERINE SECK	(217) 524-6988	Katherine.Seck@illinoiscomptroller.gov
TARA BURKE	(217) 524-5408	tara.burke@illinoiscomptroller.gov

Below the table, a red-bordered box contains the text: "If you have questions, please contact Tara Burke at 217-524-5408 or PAR@illinoiscomptroller.gov."

2. If your coordinator is unable to resolve your issue, you may contact the Illinois Office of Comptroller Public Accountability Report administrator assigned to your agency. The PAR administrator information is located below the coordinator information.
